

Delaware Does More COVID-19 Rapid Response Fund Update

April 15, 2020

The list of agencies eligible to apply for funding through the Delaware Does More COVID-19 Rapid Response Fund was expanded to the follow list. Each agency was sent a Request for Proposal (RFP) to apply for funds in the third round of distributions. Applications are due back on April 20, 2020 and the review committee will meet on April 24th to review the proposals and make funding decisions. A formal announcement will follow the review committee's decision.
