**Important eligibility information:** All 501(c) (3) agencies in the US in good standing with the IRS are eligible for designations. United Way of Delaware (UWDE) requires all agencies receiving funding to execute the Anti-Terrorism Declaration, which represents due diligence to certify that agencies are in compliance with the spirit and intent of the USA PATRIOT Act.

UWDE deducts a processing and administrative fee of 12.5% from each designation. For more information, go to [www.uwde.org](http://www.uwde.org). If the agency you choose is not eligible, UWDE will notify you to re-designate this portion of your gift, provided we have your home address. If you do not notify us of your re-designation, UWDE will redirect your gift to support UWDE's three strategic areas of focus.
